Points are awarded as follows:

- Win = 3 points
- Tie = 1 points

---

Scoring issues should be reported immediately to the Tournament Director for re-verification. All scores will be verified and signed off on by the winning coach.

### **POOL PLAY STANDINGS - TIEBREAKERS**

If at the conclusion of bracket play, two or more teams have the same point total, advancement to the semifinals will be determined using the following tiebreakers in the order listed until a team is eliminated. If more than 2 teams are tied, proceed to step 2.

1. Head to Head (disregard if more than 2 teams are tied)
2. Goal Differential (maximum four (4) per game)
3. Goals For (maximum four (4) per game)
4. Goals Against (maximum four (4) per game)
5. Most Wins
6. Most Shutouts
7. Penalty Shootout

In single pool competitions that end in a tie after all tie breakers have been considered, there will be a shootout. In the event three or more teams are tied, the above tie breakers will be applied simultaneously to all teams and are to be used only once.

### **SEMI-FINAL AND FINAL MATCHES - KICKS FROM THE MARK**

**In case of a tie at the end of regulation time, teams will go directly to kicks from the mark.**

Kicks from the mark are used in semi-final and final matches will be run in accordance with the FIFA Laws of the Game. The referee chooses the goal at which the kicks will be taken. The referee tosses a coin and the team whose captain wins the toss will take the first kick. Both teams take five kicks; kicks are taken alternately by the teams.

If before both teams have taken five kicks, one has scored more goals than the other could score, even if it were to complete its five kicks, no more kicks are taken. If after five kicks the score is tied, kicks continue until one team has scored a goal more than the other (sudden death) from the same number of kicks.

Only the players on the field at the end of the match are allowed to take kicks. A different player must take each kick and all eligible players must take a kick before any player can take a second kick. If the player is under suspension, they may NOT participate in the kicks.

### **WEATHER POLICY**

Teams will be expected to play according to the schedule of games regardless of weather. Only the Tournament Director(s) may reschedule games or alter the competitive format because of inclement weather or other just cause.

It is possible that weather conditions may lead to stoppages in play. Games will not be stopped due to rain unless it is a severe downpour and/or there is standing water on the fields. In the event of lightning in the area, we will notify teams and spectators to vacate the fields. Games will be stopped for 30 minutes from the last lightning strike.

The following procedures for weather delays may be used:

- If a delay occurs while the game is in progress and the game cannot be restarted before the start of the next scheduled game, then the score of that game will be considered final. This is regardless of the length of time that the game has been played.
- Games shall be considered complete if one half has been completed and play is stopped by the Field Representative or Referee, Commissioner of Referees or the Tournament Director(s).
- When necessitated by playing conditions or just cause, the game format may be altered to include shortening of games, penalty kicks, or coin tosses. In the event that conditions prevent a game from being played at all, the game will be listed as a 1-1 tie.

In the event of inclement weather, tournament staff will update coaches and team managers via email, text, and the tournament homepage.

- Option (2) – Withdraw from the tournament and the entry fee will be refunded.
